

## GENERAL JURY INFORMATION

Our calendar year is divided into three jury terms, those beginning in January, May, and September. Jurors who are qualified for these terms will be subject to jury duty for a period of four months. Jurors are randomly selected from a list provided by the Missouri Department of Revenue and Secretary of State.

Currently, we are utilizing the Show-Me Jury system which implements the internet. Potential jurors are encouraged to complete the juror qualification questionnaire online and are also given the opportunity to choose their preferred method of communication with the court – postal service, e-mail, or text message.

Within 10 days of a scheduled jury trial, there will be a pool of potential jurors randomly selected and they will receive a Summons by mail indicating the date and time of their required appearance.

If you wish to obtain more information regarding jury service, you may benefit by visiting the Missouri Court's website ([www.courts.mo.gov](http://www.courts.mo.gov)). If you have specific questions relative to Ray County, please call (816) 776-3377 and ask to speak to the Jury Clerk.
